Central Intelligence Agency
Office of the Deputy Director for Intelligence

DDI-

31 JUL
1984

NOTE FOR: DCI
DDCI

An interagency working group has just finished a year-long study on the Soviet R&D process

I have heard the brief describing their results and recommend that you try to find time to listen to it. It takes about thirty minutes of briefing time, and with questions and answers would run about forty-five minutes in all. If you approve, please contact OSWR, extension for scheduling.
